

The January Challenge 2014

This year once again, Archery GB is running a postal shoot for individual archers based on the Junior November Challenge. You should simply submit your best score for a Portsmouth round that you have shot in January.

This is actually the eleventh time the Challenge is being run. We started it in 2004 as something that every club member could take part in, and we have steadily increased the number of entrants from a start of around 200 – until, a couple of years ago, we suddenly leapt up to over 1,000. But there are still plenty of archers out there. Juniors can enter, but will be counted alongside adults (often they do, and, of course, beat them). A small trophy will be awarded to each section winner.

The Round Portsmouth (Compound archers may use either full or 3-spot faces)

The dates The round must be shot during the month of January 2014. Scores must be sent in to arrive no later than 9th February 2014.

Eligibility All Archers!

Note Only one score per bow type may be sent in per archer. “Golds” in this context are only tens!
