Weather: Constant heavy rain, with light, slightly gusty, wind coming from the South West.

The Open Papingo trophy was won by Johan Kangasniemi, who hit the bird with the 55th arrow of the competition. David Killin earned a 'wing', by hitting the bird with the 82nd Arrow.

Note – A total of 30 archers competed in this year's Open Papingo event, as some members of the Ancient Society of Kilwinning Archers also participated. This was in response to a request from the BBC, who were filming for an episode of Great British Railway Journeys.
