

# THE ANCIENT SOCIETY OF KILWINNING ARCHERS

OPEN PAPINGO

Sunday 12th AUGUST 2012

The 2012 Open Papingo was well attended, by 27 archers, many of whom travelled a significant distance for this event. We welcomed a contingent of archers from City of Belfast, Northern Ireland. It was noted that there were no entries from Ayr, or Largs archery clubs.

## At the Butts:

The weather was dry, but slightly overcast with a wind blowing from an Easterly direction.

The following awards were made.

### Olympic bow:

- Gold Medal: Robin Straughan

### Traditional bow:

- Gold Medal: Dominic McCarthy
- Silver Medal: Bosco Hazard
- Bronze Medal: George Blythe

The full table of results is listed below.

## At the Tower:

The weather was still overcast and the Easterly wind made it quite "interesting" for those manning the Abbey tower. Shooting commenced at 14:30, but was temporarily halted for 15 minutes to allow the remaining visitors to leave the tower.

John Tait was first to hit the papingo with the 64th arrow. After that, Malcolm McLeod managed to hit a wing with the 147th arrow. No further hits were made, and the last arrow was shot at about 17:10. It then began to rain very heavily, and it continued to do so throughout the awards ceremony.

The Walker Rose Bowl was awarded to John Tait, and Malcolm McLeod was awarded a rosette.
